8. If sale is not concluded on March 17th, we will continue to sell on the following day at the same hour.

AUCTION SALE

This large and rare Brockwell collection of about 400 pieces collected by them represents some of the most rare and valuable pieces that has ever been offered at auction.

The Early American Oak and Pine Court Cupboard is said to be one of the very few of its kind in America.

The Early American Oak and Pine Split Leg Removable Top Gate Table is said to be the only one of its kind ever found in the United States and dates back to early 1600.

The Bed used by Governor Sir Francis Wyatt is of pine and was authentically displayed at Jamestown Exposition. Affidavit can be furnished.

This collection covers a period of seventeen years of daily search and consists of many rare and authentic pieces in their original state.
